

CLARENDON MANOR

NEWSLETTER

FEBRUARY 09

Clarendon Manor has good news this month; Marie Haggitt (senior carer), Gemma Haggitt (responsible person) and Rose Quinton (responsible person) have all passed their NVQ 3! Also I have passed my Registered Managers Award and we are all awaiting our certificates.

Due to the awful weather we have not been able to get out in the mini bus for a while, we have still managed to do activities though, we have done some lovely flower arranging and have done lots of arts and crafts, at our residents meeting on 16th Feb our residents said they would like more get togethers in the afternoons, so, I have arranged for a reminiscence and nibbles afternoon to take place this week which we are looking forward to.

Sadly we lost two much loved residents this month, Marian Montgomery and Kathleen Jones, they will be greatly missed.

Our maintenance man Alen Turner has been very busy decorating our hall- way and making some lovely cabinets for extra storage.

We would like to welcome some new staff to the Manor:

Claire Stacey (care assistant)

Linda Tilsley (night carer)

Angela Haggitt (Laundry assistant)

Cheryl Edkins (weekend kitchen assistant)

The Residents are looking forward to going to the Botanical Gardens in Birmingham on 27th Feb in the company mini bus.

The Company have very kindly donated a LCD television to each of the homes, which have been mounted on the walls, they look terrific and the residents now have a much bigger and clearer picture.

Well that's all for now, look forward to updating you again next month.

Jo'Anne Smith & all the team at Clarendon Manor
